Thoughts at Home

At home I'm wondering

At home I'm relieved

At home I'm thinking I'm safe and I'm well!

At home I'm happy

At home I'm worried

At home I'm thinking how long this will last?

At home I'm comfortable

At home I'm content

At home I'm thinking the weather is fab!

At home I'm sad

At home I'm fearful

At home I'm thinking what if I I get it?

At home I'm shielding

At home I'm excited

At home I'm thinking now I can meet up!

At home I'm dumfounded

At home I'm deflated

At home I'm thinking I have The Life Rooms!

At home I'm hopeful

At home I'm expectant

At home I'm thinking at last -a vaccine!
